Join our Healthy Families of Clackamas County Advisory Committee!

Serve

- Ensure compliance with Healthy Families of America performance standards related to outreach and screening for our regional services.
- Advise in the planning, implementing, and assessing of our program services.
- Development of regional policies and program changes and structure.
- Monitoring, evaluating, and addressing quality assurance.
- Reviewing participant satisfaction with program services.

Connect

The Healthy Families Advisory Committee has five regularly scheduled meetings per year on the 4th Thursday of the month (January, March, May, September, November) from 9:30 – 11:00 am. (Months are subject to change.)

Help Us Grow!

Faith-community members, business owners, diverse cultures, early childhood professionals, and current or former Healthy Families participants are especially encouraged to apply.
